Frequently Asked Questions

- What housing options are available for first-year students?
  First-year students can choose from traditional residence halls with double or triple occupancy rooms, or suite-style accommodations. All residence halls are conveniently located near academic buildings and campus resources. Housing assignments are made based on application date and preference.
- How do I join clubs and organizations?
- What dining options are available on campus?
- Are there employment opportunities for students on campus?
- What recreation and wellness facilities are available?
- How can I get tickets to sporting events?
